PRESENT

JEWES, CHRISTIANS AND MUSLIMS:

Challenging Extremism Today

Join a crucial discussion on the recent extremism and prejudice that has occurred in the wave of Israeli/Gaza war, ISIS in Syria and Iraq, extermination of minorities and Christians in Syria and Pakistan. This is an open group discussion for students and community members facilitated by qualified religious leaders and scholars.

Come and discuss the meaning of anti-Semitism and Islamophobia. How can we build bridges and understanding among the Abrahamic faiths at a time of conflict and turmoil in the world? What is our role as Americans in these conflicts and faith-building coalitions?
